From the Medical Assistance Administration (MAA):

- Marie Dixon, Secretary Administrative
- Agnes Ericson, Healthy Options Contract Manager
- Selia Evans, Communications and Marketing Manager
- Diane Kessel, CHIP Program Manager
- Barbara Lantz, Nurse Consultant Advisor
- Paula Larson, Secretary Senior
- Brett Lawton, Healthy Options Contract Manager
- Becky McAninch-Dake, CAHPS Coordinator
- Tricia Moore, Forms & Publications Program Manager
- Jack Richards, Word Processing Operator
- Jeanne Semura, Section Manager
- Marty Weller, Nurse Consultant Advisor

We would like to thank:

OMPRO:

OMPRO, a health care Quality Improvement Organization (QIO), provided project oversight and assisted in the development of the enrollment materials and this stakeholder report to disseminate the CAHPS survey results. For more information about OMPRO, please visit www.ompro.org.

Health Services Advisory Group:

OMPRO contracted with Health Services Advisory Group (HSAG), a QIO, to conduct the survey administration, data analysis and reporting, including the development of this stakeholder report, for the 2002 CAHPS survey. For more information about HSAG, please visit www.hsag.com.

Seven health plans submitted sample frame data files for the 2002 CAHPS survey. Without their cooperation and timely submission of data, the 2002 CAHPS survey would not have been possible.
